PIERRE FABRE IMPROVES THE HEALTHCARE PROFESSIONALS EXPERIENCE

PFID aims to simplify the user experience for HCPs through three key points:

- › Creating a single account for HCPs, allowing access to all Pierre Fabre sites (without requiring new logins or account/password creation for each Pierre Fabre site)
- › A simplified and improved user experience for accessing Pierre Fabre physicians or healthcare professional
- › A secure solution, designed and supported by Pierre Fabre IT teams

You already have an account to SOS app but not with PFID:

+ CREATE A PFID ACCOUNT WITH THE SAME EMAIL ADDRESS

You never use Side Onco Skin? Create a PFID account:

1 REDIRECT FROM SIDE ONCO SKIN

2 ACCOUNT CREATION

A minimum number of fields (6 + password) allowing the security and identification of the HCP.

3 EMAIL SENDING TO ACTIVATE THE ACCOUNT
